

Biggy barber - Chelsea Walsh opened a barber shop

FINALLY! I've passed my level 3 barbering and I have a certificate!!!

This means so much to me. It might just look like a bit of paper but to me it's more than that. It's the risking it all for the unknown, it's the late late nights after my day job doing a course, it's the months of giving free haircuts after hours, it's the sleepless nights researching hair, it's the 1000's of pounds spent on education, its the 100's of hours on youtube studying, its the spending time away from my family to make our lives better! This bit of paper is everything to me.

Thank you so much to [@mi hairandbeauty](#) for giving me the education and pushing me! Thank you to Tracey my teacher who taught me things I didn't know I needed. Thank you to my wife and kids for putting up with my late nights and tired moaning. Thank you to all of my clients who stuck by me and let me touch your hair without education
