

Mamadou Alpha Barry Success Story

Before coming to the UK, Mamadou was attending a Computer Science course in his home country. He was unable to continue as he moved to the UK, looking for better life.

He joined MI at ESOL E2 in Writing, then progressed until completing level 1 in July 24. He was a polite and diligent learner. He always listened to his peers attentively in class, and always ready to go the extra mile to help his classmates with homework or with any lesson content enquiries. He had a positive influence on other learners, who enjoy being involved in collaborative activities and discussions with him.

He was a popular figure in class and everyone liked and respected him for his manners. As such, learning became a more fun, interesting and beneficial experience where every learner enjoys taking part in.

He found work as a food delivery driver and as a kitchen porter. Despite working long hours, he kept the same level of enthusiasm and motivation for learning and remained consistent with his efforts to achieve.

He is a motivated, well-determined and hard-working learner who has definite plans and goals in mind, and strives to achieve them.

As his skills have improved he has been promoted to trainee chef and is gaining in experience to become a chef in the future. He recently attended the Lambeth Learning Awards ceremony and was confident enough to be able to give feedback on behalf of his group to the entire audience.

“At MI Skills, I have gained the opportunity to learn and improve my English Skills. I am so glad to be at MI to have excellent courses by my kind and respectful tutor Sarra. Now, I can communicate better with others and build new positive relationships with people from around the world. I have enjoyed all lessons and I have noticed a remarkable improvement in my reading, writing, speaking and listening skills and I will definitely continue working hard as advised by my tutor, to reach a level of proficiency in English. Thanks to my support I have been able to find a job that I really enjoy.”
