COURSE PROGRESSION

BEFORE STARTING

- ✓ You will complete an Initial Assessment with us, which will confirm the course level you should start at.
- ✓ We will have an Information, Advice and Guidance (IAG) session to plan the best strategy to reach your goals

AFTER COMPLETING THE COURSE

- ✓ You will either progress to another level, course, employment, volunteering opportunity or university.*

**Please be aware that some of these are dependant on your qualifications and skills.*

PROGRESSION

By achieving this qualification, you may be able to progress to the following qualification routes:

- BSc (Hons) Nursing
- BSc Hons Nursing (Mental Health)
- BSc Hons Nursing (Child)
- Degree Apprenticeships in Nursing
- Other progression routes are also accessible

This course prepares you to progress to health-related higher education programmes at university or college - most of our learners go on to study nursing, midwifery, or other health professions such as occupational therapy.

Be sure to check the specific entry requirements of the university you plan to attend or apply to.

COURSE REQUIREMENTS

- Have achieved Level 2 English and Maths qualification (or similar) prior to the course*
- *We can support candidates to meet this requirement

ENTRY REQUIREMENTS

Before starting, you will need to complete:

- An Initial Assessment to assess your level
- And an (IAG) session with us

ELIGIBILITY CRITERIA

- Adults (aged 19 and above)
- Have the legal right to live and work in the UK
